## Your Vestry:

### Passionate about God and our community

It’s that time of year again! Our current Vestry is graduating two of its members, and we are accepting new Vestry member-at-large nominations through November 25.

The Vestry is a vital component of the way our Episcopal Church is governed. For those who are a wee bit rusty, see the chart from our brothers and sisters in the Diocese of Western North Carolina on p. 5.

Your Vestry are the elected representatives from our congregation who serve three-year terms. They prayerfully and diligently listen to God and to you, in order to lead the church in the spread of the Gospel in our unique corner of the world. Being on the Vestry means commitment: to God, to our parish, and of time, talent, and treasure. Read more about the Vestry on p. 4, and see if you are called to serve.

## Musings of Mother Danáe

November marks the already, but not yet, season in our lives. October's autumn leaves have had their glory and December's constant, pretty whorls of frost and snow are not quite here. Harvest time is here and these damp, cold days are a good time to take stock of what we have been blessed with in the past year. I wonder what your harvest looks like. Are you harvesting fear? Sadness? Joy? Hope?

In the Episcopal Church, we begin November with All Saints' Day, where we remember and are thankful for those saints who have gone ahead. Without them holding the Christ-light for us as we journeyed, we would, perhaps, not have made it this far. Our personal saints and those in our church calendar continue to inspire us to have a closer, more intimate relationship with God. Even when they are gone, they still influence us, whether we realize it or not.

We are also blessed by sharing our faith journey with the living saints around us. Here at St. Edward's, we have our Annual English Tea on November 11 at 4:00 pm, as well as our ecumenical community Thanksgiving service on November 18 at 5:00 pm, with our Presbyterian, Disciples of Christ, Unitarian Universalist, and Muslim neighbors.

The blessing of a myriad of meaningful opportunities to live our lives as God calls us through our St. Edward's community is profound! We are blessed that every Sunday we get to be together and welcome our guest speakers from the wider community at our Adult Forum to help us connect our faith with our lives outside

the church walls. Our children have the blessing of receiving music instruction from our music director and connect the dots of their faith with our amazing (yes, they are definitely amazing) Sunday school teachers. Our Stewardship Celebration is November 18 and we're filling up our labyrinth pledge thermometer with love and hope in what God is doing through us. Plus, we've got the Vestry nomination deadline coming up on November 25, so we'll be choosing two new folks to be part of the leadership of our church. Let's not forget our Concert Series with a clavichord concert, "The Birth of Russian Keyboard Music" on November 4 at 3:00 pm. And we cannot forget the birth of Tami and Marc's baby girl, Nadia, on October 19. What blessings! What blessings! What blessings, indeed!

I pray that you will use this mellow autumn month to reflect on what a blessing it is to be part of our community. Each one of us is called to take the love that God has given us to be blessings to each other and to all those we encounter. We harvest hope here at St. Edward's and are richly blessed indeed!

Be peace, be light, be love!

~ Mother Danáe+

## About the Vestry

### Are you called to serve?

Here are some guidelines of the Vestry job description. See opposite page to learn how a Vestry fits into Episcopal Church governance.

All vestry members should strive to the best of their abilities to:

- Have a love of God and demonstrate a commitment to following the way of Christ;
- Be active in and knowledgeable about the congregation, its programs and governance;
- Be fair, interact well with people and strive to earn the respect of the members of the congregation;
- Purposefully strive to “check one’s ego at the door;”
- Purposefully strive to be a servant of the people without the need to be the “most important person” in the congregation or the need to be the one with the right answers to everything;
- Have enthusiasm and vitality for this ministry.

All vestry members should be able to make the following time commitments:

- Vestry meetings, committee work;
- Vestry retreat(s);
- Weekly worship services (rotating occasionally if more than one);
- Congregational events: coffee hours, meals, fundraisers, adult education programs, etc.;
- Diocesan meetings, as necessary;
- Annual meeting.

All vestry members are responsible for:

- Offering talents to support the congregation’s ministry;
- Praying daily for the priest, leaders, and members of the congregation;
- Pledging financial support early in the stewardship campaign;
- Being active ministers of the Gospel in daily life and work;
- Bringing one’s whole self to the table; being present – mind, body, and spirit;
- Risking openness with one’s ideas, beliefs and desires.

If this sounds like something you would be interested in, please prayerfully consider submitting your name to the Vestry in one of the following ways **by November 25**: You can verbally tell a Vestry member or Mo. Danée that you are interested and why; You can leave a note in Mo. Danée’s box with the same information; You can e-mail Mo. Danée or one of the Vestry members to let them know your interest.

*Anonymous nominations will not be accepted.* If you wish to nominate someone else, please speak with them to see if they are willing to consider the nomination. Only then will the nomination be accepted. Nominations will be approved by vote in the Annual Meeting in January.

Questions about what life is like on the St. Edward’s Vestry? Contact your trusty Vestry members: Hollie, Dwight, John, Fran, Julie, Thomas, and Ginny.

## OUTREACH AND ACTION

### Outreach Update

**William Project** – There is no new specific news about William and his family. This is good news. This project will be completed by the end of December.

**Loaves & Fishes** – The next time we serve is Wednesday, January 31, 2013.

**Vicksburg Commons** (*This is replacing the serving of a meal at Regency Pointe*)

St. Edward's and Unitarian Universalist Church jointly serve a meal at Vicksburg Commons, an apartment complex in northern Plymouth. This happens the third Thursday of every month (November 15 is the next serving) with food preparation done the evening before. The sign-up sheet is in the Gathering Space.

**First Nations Kitchen** – St. Edward's will not be serving there until sometime in the New Year.

### Thank you, Episcobuilders!

Below is a quote from the BP family who just closed on their house in September. I thought you might enjoy seeing their comments. Thanks again to the EpiscoBuilders for providing a decent, affordable home for this family!

### Adopt-a-Family

As in the past, St. Edward's is once again participating in the Adopt-a-Family program that is sponsored by IOCP. This is a program that helps brighten the holiday season for low income families in our local community. The schedule for this program is listed below:

- **Sunday, November 18** – The "wish list" of needs/wants for each individual are listed on the bulletin board in the Gathering Space. Parishioners are asked to take the wish list that they would like to donate and then do the shopping for such. It is suggested that sponsors follow a \$50 a person guideline.
- **Sunday, December 2** – Gifts should be returned to the Gathering Space. They should be wrapped individually, with a tag with the person's first name on each gift. Please also include a gift receipt with each gift or put all of the gift receipts together with one separate envelope.
- **Friday, December 7** – The gifts will be delivered to the IOCP office.

### ERD responds to Sandy

Episcopal Relief & Development (ERD) continues to reach out to impacted partners in the Caribbean and along the eastern coast of the US. At least 69 people have died in the Caribbean due to the storm, and flooding is widespread. In the US, the storm has killed at least 17 people in six states, and left 6 million without power. ERD will continue to stand with its local partners as they assess needs and develop response strategies. You can make a donation to the Hurricane Sandy Response Fund, which will support the efforts of our partners in both the Caribbean and the US, at <http://www.er-d.org/donate-select.php> or by calling 1.855.312.HEAL (4325).

## Scheduling reminder

When planning any event for church activities please e-mail or call Sharon in the office so it gets put on the main calendar. As fall approaches and events get planned, it is very important to have those on the calendar so we don't double up on spaces/events. Sharon can also let Adam know when and where it needs to be cooled or warmed in the church building. Thank you.

# St. Edward's Vestry Meeting Minutes

**Tuesday, October 9, 2012: 6:30–8:30 pm**

**Priest:** Mother Danáe Ashley ~ **Deacon-in-training:** Chip Whitacre

**Members:** John Marchewka, Dwight Maxa (absent), Thomas Mitchell (absent), Hollie Yeager, Ginny Cassidy, Julie Smith (Clerk), Fran Christianson, Gary Englert (Treasurer) (absent)

Mother Danáe opened the meeting at 6:40 p.m.

Hollie made a motion to approve the September meeting minutes as amended with an update to the date as Tuesday, September 11. Ginny seconded and the motion to approve the amended minutes carried.

## **Treasurer's Report**

Another good month financially from the standpoint the income nearly matched expenses; and our ending cash position remained flat to August. Overall total expenses are \$6500 below budget. However, by the end of the year we will have used \$20,000 from our cash reserves to meet our operating costs. Gary forecasts that the general fund will be negative by \$1,025 by the end of the year, which means borrowing monies from the dedicated funds in December.

Gary made a recommendation to close the 3 Dedicated Accounts that have a total balance of \$445.95 and transfer the residual balances to the General Fund. Hollie made a motion to approve moving the funds and Ginny seconded. The motion carried.

Gary also proposed a framework to put the \$5400 we received as a one-time gift as follows. Designated uses:

- Major repairs and/or maintenance to building and grounds
- Fund supply priest during contractual Sabbatical of Rector/Priest in Charge
- Seed money for endowment fund, capital campaign fund or major outreach effort

Fran made a motion to approve the framework and Hollie seconded it and the motion carried.

Gary will draft a policy for review and approval.

## **Pastoral Concerns**

### **Priest-in-Charge report**

- Diocesan convention September 21-22
- Pregnancy and Infant Loss Candlelight service 10/16
- ECMN Clergy Conference October 23-24
- GenX Clergy conference November 5-7

### **Deacon-in-training report**

- Chip is meeting on Saturday 10/13 with the Standing Committee as the next step in his journey.
- Chip sent in the kitchen licensing application from Hennepin County.
- Outreach surveys continue to come in. Each month a program will be highlighted in the Lampstand.
- Chip met with IOCP and they would like to have people come to IOCP for a tour and could arrange a special time for St. Edward's.

# “Search, Serve, Celebrate” – Stewardship 2012

Stewardship begins with a simple question:  
***What are we called to do?***

This spring, St. Edward’s received a wonderfully succinct and compelling answer from our identity exercise with Father Tim Hodapp:

## **Search. Serve. Celebrate.**

Our unique promise – to live Christ’s compassion in community – is realized when we grow spiritually, reach out to others, and worship God together.

Through surveys and conversations, we identified elements that parishioners feel are critical to fulfilling our promise. They include:

- Celebrating our Episcopal heritage, which includes employing a full-time priest and a one-quarter time music director.
- Providing ministries to connect our growing faith in meaningful ways, fellowship and education for all generations, including childcare for our youngest members.
- Sharing our abundance of talent and treasure with those in need through outreach.
- Exercising fiscal responsibility.

---

## **Vestry Minutes** – *continued*

Memorial Fund. Ginny made a motion to approve the gardening club spending the money for the bench. John seconded the motion and the motion carried.

Vestry nominations: two are rotating off; need to identify two new members and choose new co-wardens. Ideally one warden should have been on Vestry for two years and one warden for one year.

Julie led the group with a closing prayer.  
Meeting adjourned at 8:40 p.m.

Respectfully submitted,  
Julie Smith

**Next Vestry meeting:** November 13, 6:30 pm  
The Lampstand

Our annual Stewardship drive is an important opportunity to understand how our individual contributions support our shared purpose. See your Stewardship Letter for a financial overview of what we have collectively identified as our critical “elements for success.” Please familiarize yourselves with them, and with St. Edward’s current financial position, as you prayerfully consider your pledges for 2013.

The Vestry is running the most streamlined budget we possibly can, while trying to uphold the above elements that our congregation views as vital. We need your help. Even with cutting corners and costs wherever we can, we are still running a \$20,000 deficit for 2012. In light of this, it’s easy to say, “Well, we just need to get more people!” But the reality is, no matter if we add to our numbers or not, we must continue to be faithful to God’s mission for us on this corner of County Road 6 and Ferndale Road North.

And here’s what’s exciting: Our vision for 2013 includes more than just a balanced budget. It includes more than being able to continue to retain Mo. Danée as a full-time priest next year. More than keeping our music director, parish administrator, bookkeeper, and sexton’s hours steady. More than just having our doors open on Sunday. We have a call from God. God’s vision is emerging and our mission is clear: To spread the Gospel by feeding our local community spiritually, physically, and artistically. We are creative, tenacious, open-hearted people that are committed to God’s work for us here. You are a vital part of this vision. So, let’s fill up our labyrinth with support as we continue to call St. Edward’s home!

Faithfully,  
Your Vestry and Mo. Danée

## From Chip Whitacre, our Deacon in Training

Last week, as I sat at the desk in our home office, I noticed a squirrel that jumped from the roof of the house to what seemed to me to be a flimsy branch on one of the trees nearby. The branch sagged under the weight of the squirrel as it landed, but it held and the squirrel scampered onto the tree trunk without incident.

The squirrel's ultimate objective was the bird feeders that we have behind our house and the bounty that they provide to all who come, not only squirrels, but chipmunks, turkeys, raccoons and the various species of birds that come in to feed. A whole community gathers right outside our kitchen window to eat. The simple act of putting out the feeders and filling them periodically has produced a place for a community to gather.

In our community, IOCP is the place where people who are struggling can gather for help. The simple idea of caring what happens to our neighbors and acting on it has developed into a

vibrant service center for those in our community who need a helping hand. But keeping an operation with the scope of IOCP going is not so simple. It takes a whole community of donors and volunteers and a staff to coordinate their efforts.

On November 10 IOCP will kick off the Sleep Out, the annual campaign to raise funds so that IOCP can continue to help those who are struggling with food, shelter, clothing, educational support, and family guidance. The event will begin with a celebration in Klapprich Park in Wayzata and conclude on December 31. The goal of this year's Sleep Out is \$1.95 million. The work that IOCP does in our community is critical to helping people in times of need, but also in the on-going effort to help them develop the capacity to get out of poverty.

These are difficult times and the need is great and growing. Unemployment is high and wages are declining while the cost of food is skyrocketing. The number of children in our local school district who qualify for free and reduced lunches has tripled in the last ten years. The shelters for those who are without homes are overflowing and the number of families that are having to resort to sleeping on the streets or in their cars is rising dramatically.

The Outreach Committee is discussing how St. Edward's might best support the Sleep Out in 2012 and your ideas are welcomed. Small as we are our contribution is important. This month, as we pause to reflect on the many blessings for which we are thankful, I urge each of you to consider how you might join the Outreach Committee in supporting the work of IOCP.

Peace and blessings,  
Chip
