Musings of Mother Danée

Every year when Lent comes around, we often try to remember “**What is Lent?**” and “**Why do we do it?**” An excellent answer for adults and children alike comes from one of the *Godly Play* children’s formation curriculum classes:

Lent is a time of prayer. It is a serious time. We use purple because purple is a serious color. Ash Wednesday is a part of Lent. Lent starts on Ash Wednesday.

In Lent we are trying to uncover the mystery of how Jesus died then rose from the dead. Christmas is a mystery too. Jesus was in heaven then He was born on earth. But Easter is a bigger mystery. Jesus died then rose again. It takes 6 weeks of Lent to get ready for Easter, but it only takes 4 weeks of Advent to get ready for Christmas. In Lent we are thinking about how sad it was for Jesus to suffer and die on the cross for us. We’re happy when Jesus rises on Easter. It’s time to celebrate and the color changes to white.

Simple, huh? When we think about the answer, we may then reflect on the next question: If it’s true that Jesus says to all who want to be his friend “follow me,” what does this mean for me today? There’s a great movement called “The Restoration Project” <http://www.therestorationproject.net/> that answers this by giving us a rhythm to Lent and brings us up close and personal with following Jesus. It is an ancient, yet fresh formula of Christian formation and I encourage you to commit to it. From their website:

The most basic structure we share as TRP people is a rhythm of life:

- § 20 minutes of **Prayer** a day
- § 1 hour a week of **Worship**
- § 1 hour a week of face-to-face **Service** of our local poor

Everything else in The Restoration Project supports this simple rhythm. The Rhythm of Life takes three scriptural teachings and makes them a real part of our daily lives.

Pray – In his great sermon on the mount, Jesus bids us to “go into your room and shut the door and pray to your Father who is in secret (Mt. 6:6)” and so we set aside twenty minutes a day to pray.

Worship – The psalms tell us to “worship the Lord in the beauty of holiness (Ps. 96:9)” and so we set aside an hour a week to worship in our church.

Serve – Jesus admonishes us to feed the hungry, clothe the naked and visit the lonely. Furthermore, he teaches us that “just as you did it to one of the least of these who are members of my family, you did it to me (Mt 25:40).” So, for an hour a week we serve our local community by, for example, volunteering at a soup kitchen, visiting our local prison or serving hot breakfast to probationary teens.

Check out PrayWorshipServe.com to find out more ways to get support and connect with other people as you enter into this life-giving way of following Jesus.

There are many ways to connect at St. Edward’s, including two opportunities to serve the poor and disadvantaged in March: The Donation Creation project on March 9 and our Second Sunday: Faith in Action project, Collecting books for underprivileged children, on March 16. Put your faith in action as you pray, worship, and serve together!

Outreach Project for Mission 2014

During the year 2014 the ECMN is encouraging all churches to organize a project that will focus on the needs of children in our neighborhoods. "Access to books is one important element to early childhood literacy. Recent studies show that in middle class neighborhoods there are 13 books for every child, while in low-income neighborhoods there is only one book for every 300 children. With that in mind we at St. Edward's are planning a children's book collection that will provide appropriate children's books to those who are need of such. Here are the highlights of this program:

- Books will be collected at the church starting March 9 and going until about April 1.
- Books should be for children ages 3 – 8th grade.
- Books should be in good condition – they may be used but must still be in good repair.
- Religious books, coloring books, activity books, and sticker books are not acceptable.
- The collection site will be in the narthex where further information about appropriate (and recommended) books will be available.

On March 16 we will use our 2nd Sunday activity (*note change of date for March*) to highlight this program. Please join us as we gather books, make bookmarks, and have "special readers" read their favorite stories to us. This should be lots of fun for a wonderful cause!

Donation Creation Sunday is March 9

After our 9:30 am service is our time to create our "food sculpture" downstairs for IOCP. We are the reigning champions and must defend our prize! Non-perishable food items are being donated through March 9 so we can have enough to build with — please donate generously!

Upcoming "Second Sundays"

Due to our liturgical calendar and the traditions of the Episcopal Church, ***we will be celebrating the Second Sunday in Lent (March 16) and the Second Sunday of Easter (April 27) instead of the second Sunday of the month.*** We will remain with our usual schedule of 8:45 Morning Prayer and 9:30 service project. Please see article above about our special outreach project for March!

Mother Danée away

March 9 (evening)-March 12, Mo. Danée will be in Connecticut assisting her mother-in-law with moving. Please call Deacon Morris for any pastoral concerns and Fritz Wright, Co-Warden, for any building concerns.

OUTREACH AND ACTION

Here is an update as to what the Outreach Committee has been focusing on during the month of February.

- Once a week various members of the congregation have been driving Jeff Galloway (a client of the **Episcopal Group Homes Organization**) to Cub so he can shop for his weekly supply of groceries. Jeff is always very appreciative of this transportation and of the friendships he is developing. Interestingly enough, his mother was one of the adults from St. Martin's who years ago started the Episcopal Group Homes Foundation.
- **Vicksburg Commons** – We continue to provide one meal a month for people that live in this housing development. This project is done with members of the Unitarian Church of Wayzata. The cooking is usually done by the Unitarians with St. Edward's folk shopping and serving the meal. Usually about 50 people – including children – are in attendance.
- **Loaves & Fishes** – St. Edward's helps with the serving of dinner at St. Stephen's Catholic Church in Minneapolis. This is done on the 5th Wednesday of any month. The food is prepared by members of St. Paul's, Minneapolis, with St. Edward's helping with the serving.
- **2nd Sunday Activities** – The Outreach Committee has been informally involved with the 2nd Sunday Outreach activities. Activities have included gathering socks and toiletry kits for homeless veterans, making blankets, and making valentines for low-income children who are a part of the Wilder Foundation program.

Please know that we are always eager for additional people to work with us on any of these projects. Any help is always appreciated – big or small.

Twin Cities local food is coming to St. Ed's

The Outreach Committee is happy to announce that starting in late Spring the Twin Cities Local Food Cooperative will use St. Edward's facility as a pick-up site for their business.

This business allows for its members to purchase and pay online for food products including meats, dairy products, and produce and then pick up their purchases at St. Edward's on a Tuesday evening between 4-6 pm. Food is locally grown – no more than 100 miles from here – and is also organic.

Membership is \$40 for the year or \$25 for a 6-month membership. Read more at www.tclfwholesale.com. More information will follow – stay tuned!!

St. Edward's Women's Group

The Women's Group continues to meet on third Tuesdays at Lynne Whitacre's house. Please join us whenever you can – no agenda, just a chance to be together. If this schedule doesn't work for you, please let us know – we can be quite flexible!!

MAP Project to begin at St. Edward's

The MAP Project (Missional Assessment Process) is about to begin at St. Edward's. The team from St. Edward's will meet with Amanda Ziebell- Finley, a missionary from the ECMN on Monday, March 3. During this time they will work together to identify the strengths and weaknesses of our church community. They will most likely meet four times for two hours each time. At the end of this process it is hoped that suggestions for a positive future for St. Edward's will evolve.

The members of the committee are listed in the Gathering Space. We ask everyone to pray for this process. Joanie Broughton has written a prayer for this purpose – please use it as you see fit. Thank you so much.

Loving God, we are grateful for so many things: for the St. Edward's community, for our beautiful worship space, for our Commitment to outreach, and most of all for your presence her with us as we discern what you are allying us to do. Help us to be open to the Holy Spirit and each other during this important time. You know we are a resilient community. We have faced challenges before and have literally risen from the ashes. We ask your blessing as we continue to discern your will for us. Amen.

The Plant Sale is coming!

The 38th Annual St. Edward's Plant Sale will happen May 7 – 10. Please mark your calendars and plan to work and shop as much as possible.
